

27th Annual San Joaquin County Coastal Cleanup Day September 19, 2026

Sponsorship Opportunity

Sponsorship plays a vital role in supporting the annual San Joaquin County Coastal Cleanup Day. Over the past several years, an average of 500 volunteers have dedicated their time each year to helping keep local waterways clean. Coastal Cleanup Day is recognized as the largest volunteer event in the state.

Your sponsorship helps provide Coastal Cleanup volunteers with essential supplies and resources, including snacks, data collection materials, volunteer giveaways, cleanup bags, and event T-shirts.

Sponsorship Benefits

- Your organization is recognized as “Steward of San Joaquin County Waterways”
- Increases public awareness of your organization’s community involvement
- Cross-promotional opportunities with media sponsors and other sponsors
- Gain exposure on marketing materials which include San Joaquin County Coastal Cleanup event website and volunteer T-shirts

Last year alone, approximately 6,000 pounds of trash and debris were collected from local inland waterways. This special event provides an opportunity for your organization to partner with and give back to the community in which you live and work. Any support toward cleanup efforts and volunteer coordination is greatly appreciated.

We ask for your support!

Your sponsorship at any level will be appreciated and we look forward to working with you.

SAN JOAQUIN
—COUNTY—
Greatness grows here.
