Sponsorship Opportunity

Sponsorship plays a vital role in supporting the annual **San Joaquin County Coastal Cleanup Day**. In each of the past several years, an average of 1,000 volunteers have donated their time to keep the County waterways clean. This is the largest volunteer event in the State.

Your sponsor-ship enables us to support Coastal Cleanup volunteers with needed supplies such as water, gloves, bags, and a T-shirt.

Last year alone, over **5,000** pounds of trash and debris was collected from our local inland waterways. This special event is an opportunity for your organization to partner with the community in which you live or work. Any assistance with the cleanup and volunteer coordination is welcomed. ***We ask for your support!*** Your sponsorship at any level will be appreciated and we look forward to working with you.
